RE: Filing In IBOC Digital Radio Docket (99-325)

Dear Commissioners and FCC Staff,

On November 14, 2003, THE AMHERST ALLIANCE and 52 other parties filed a letter in the FCC's Docket for In Band On Channel (IBOC) Digital Radio (99-325). This letter conveyed the text of a Petition For Expedited Relief, Through Rulemaking, by the same 53 parties.

A signed original of this Petition For Rulemaking has been express mailed to the Office of the Secretary, along with a dozen hard copies, via the FCC's Capitol Heights facility. An electronic copy has also been filed in the Localism Task Force Docket (RM-10803).

In preparing the signatory pages, I failed to include one of the 53 Petitioning parties. The following person should be added on page 28 of the Petition (the 8th signatory page):

Dane Scott Udenberg
President, TUNE TRACKER SYSTEMS
For TUNE TRACKER SYSTEMS
Oconto, Wisconsin 54153

Please accept my apology for this error.

Respectfully,

Don Schellhardt
President, THE AMHERST ALLIANCE
